Wyoming Department of Transportation
Aerial Obstruction Reporting Requirements

CHAPTER 3

Section 1. **Authority and Purpose.**

These rules and regulations are adopted pursuant to W.S. 10-4-305 to administer a program for reporting information about certain aerial obstructions to the Wyoming Department of Transportation.

Section 2. **Reporting Requirements.**

(a) Persons owning or leasing a structure meeting the reporting requirements of W.S. 10-4-305 shall submit, as described in Section 3 of this rule, the following information to the Wyoming Aeronautics Division of the Wyoming Department of Transportation on or before April 30, 2009, for every structure erected before April 30, 2009.

- (i) The structure's exact location by latitude, longitude, and county;
- (ii) The elevation of the site in feet;
- (iii) The structure's height above ground level, in feet;
- (iv) The owner's name, address, telephone number, e-mail address (if any), and owner's representative (if any); and
- (v) The method used to make the structure visible.

(b) For any structure meeting the reporting requirements of W.S. 10-4-305 and erected or raised after April 30, 2009, a report shall be filed **not less than 10 days before erection or raising**.

(c) Any person removing a structure subject to the reporting requirements of W.S. 10-4-305 shall report the removal using the procedures described in Section 3 within 10 days.

(d) The Wyoming Department of Transportation shall make information, other than ownership information, available to the public as described in W.S. 10-4-305.

Section 3. **Contact Information.**

(a) Information as required in Section 2 of this rule shall be submitted to the Aeronautics Division of the Wyoming Department of Transportation using the Wyoming Meteorological Towers Reporting System through the following electronic address: <http://www.dot.state.wy.us/wydot/aeronautics>.

(b) If electronic submission is unfeasible, the information required by Section 2(a) of this rule shall be submitted by paper to the Aeronautics Division using the following mailing address: 5300 Bishop Boulevard, Cheyenne, WY 82009.
