Laramie County Request for 800 MHz channels

The City of Cheyenne and Laramie County are going to build a new seven (7) channel 800 MHz site at Archer - 41° 08' 49.15"N -104° 40' 01.58"W and add two (2) channels at the Fox Farm 800 MHz site - 41° 07' 03.28" N - 104° 48' 36.60"W. Both of these sites will be added to WyoLink – Wyoming's digital trunked radio system. Bob Symons worked with Colorado and Motorola to identify unassigned 800 MHz channels for the two Laramie County sites.

The proposed 800 MHz Channels are:

Archer- 41° 08' 49.15"N -104° 40' 01.58"W

Channel 8 – 851.1125 - Base Frequency and 806.1125 - Mobile Frequency

Channel 144 – 852.8875 - Base Frequency and 807.8875 -Mobile Frequency

Dave Adsit made a motion to submit channels 8,23,36,47,76, 88, 103, 111, 144 to Colorado – Region 7 for concurrence. Upon the Letter of Concurrence from Colorado, Laramie County may submit the channels to their vendor for FCC licensing. The motion was seconded by Dave Adsit. The motion passed on a voice vote.

Bob Symons will create a letter of concurrence to be sent to Region 7 – Colorado.

William Walter noted that the Spectrum Committee will be working on helping identify additional VHF spectrum for future WyoLink sites.

The meeting was adjourned at 2:39 pm..

Respectfully submitted,

Robert Symons
