WyoLink Operations Work Group Phone Conference Call Meeting of April 3, 2017

Chairman Brian Eggleston called the meeting to order at 3:00 pm.

Members in attendance: Brian Eggleston, Carl Freeman, Nathan Smolinski, Dave Riegert, David Gier, Patty Bauer, Zak Thorington, Mike Choma and Bob Symons

Guest: Lance West, Laramie County School District #2

WyoLink Membership Applications

Brian Eggleston presented the WyoLink Applications from US Department of Homeland Security-Federal Protective Services, Laramie County School District #2 and Converse County School District #1. All of the applicants meet the WyoLink membership as defined in the WyoLink handbook.

Dave Riegert made a motion to recommend the WyoLink Applications from US Department of Homeland Security-Federal Protective Services, Laramie County School District #2 and Converse County School District #1 and forward the recommendation to the PSCC for approval. The motion was seconded by David Gier and passed on a voice vote.

Dispatch to Dispatch Talkgroups

Nathan Smolinski and Bob Symons presented the draft Dispatch to Dispatch talkgroups. Each wireline connected dispatch center would have available a dispatch talkgroup and would be able to share that talkgroup with other dispatch centers. It will be up to the dispatch center to work with the other dispatch centers on sharing the talkgroups and deciding on the policies and procedures for using the talkgroups. Nathan and Bob will be notifying the dispatch centers of the availability of the dispatch to dispatch talkgroups and provide good practice information on the use of the dispatch talkgroups.

Having no further business, the meeting was adjourned at 3:09 pm.

Respectfully,

Bob Symons
