**November 2003**

# Wyoming Public Safety Mobile Communications Plan

## Overall Table of Contents

### **Phase 1 Assessment**

#### **Overall Table of Contents**

#### **Phase 1 Table of Contents**

#### **Executive Summary**

<b>SECTION 1 - Existing Infrastructure</b> .....	1
1.1 Introduction .....	2
1.2 State Systems .....	6
1.3 Local PSMC Systems .....	16
1.4 Federal Systems .....	17
1.5 Summary of High Level Characteristics .....	18
1.6 Comparison to Previous Studies .....	25
<b>SECTION 2 - Envisioned Baseline Needs</b> .....	1
2.1 Executive Summary .....	2
2.2 Development of Baseline Requirements .....	4
2.3 Urgent Need for Stateside Plan .....	41
2.4 Priority Ranking of Listed Needs .....	43
2.5 Comparison with Previous Studies .....	46
2.6 Conclusions .....	47
<b>SECTION 3 - Future Requirements</b> .....	1
3.1 Executive Summary .....	2
3.2 Technical Requirements Detail .....	4
3.3 Functional Requirements Detail .....	5
3.4 Coverage Requirements Detail .....	8
3.5 Interoperability Requirements Detail .....	8
3.6 Operational Requirements Detail .....	9
3.7 Validation and Prioritization Process .....	14
3.8 Future Network Requirements .....	20
3.9 Comparison with Prior Studies .....	21
<b>SECTION 4 - Baseline Requirements and Performance Standards</b> .....	1
4.1 Introduction .....	2
4.2 Prioritized Requirements .....	3
4.3 Requirements Details and Additional Areas .....	5
4.4 Performance Standards .....	6
4.5 Acceptance Test Procedures .....	14
4.6 Conclusions .....	25
<b>APPENDIX A - Desired Features</b>	
<b>APPENDIX B - Group and Agency Interviews</b>	
<b>APPENDIX C - Site Visits</b>	
<b>APPENDIX D - FCC Database of Public Safety Radio Sites</b>	
<b>APPENDIX E - Letter from Governor Jim Geringer</b>	
<b>Survey for the State of Wyoming Public Safety</b>	
<b>Mobile Communications Planning Project</b>	
<b>Wyoming Radio Survey</b>	
<b>FEClientNet Survey Summary</b>	
<b>APPENDIX F - Wyoming Radio Coverage Analysis</b>	
<b>APPENDIX G - Existing Site Locations</b>	
<b>APPENDIX H - Past Studies and Reports</b>	
<b>APPENDIX I - Analysis of PSMC Efforts in Neighboring States</b>	
<b>APPENDIX J - Glossary of Terms and Abbreviations</b> (Phase 1 and Phase 2) _____	
<b>APPENDIX K - Prioritizing Needs Form</b>	

#### **Traceability Matrix**

## **Phase 2 Planning**

**Overall Table of Contents**  
**Phase 2 Table of Contents**  
**Executive Summary**

### **Business Case**

<b>Section 1 - Introduction</b> .....	5
1.1 Objective of the Business Case Report .....	5
1.2 Understanding Current Issues/Problems .....	5
1.3 Alternative Architectures .....	5
1.4 Recommended Architecture .....	6
1.5 Funding Opportunities .....	7
1.6 Conclusion .....	8
<b>Section 2 - Current Status of PSMC in Wyoming</b> .....	9
2.1 Current Public Safety Mobile Communications .....	9
2.2 Current Issues/Problems .....	9
<b>Section 3 - Alternative Architectures</b> .....	13
3.1 Alternative Technologies .....	13
3.2 Request For Information Response .....	16
3.3 WyoLink System Required Features .....	16
3.4 Summary of Alternative Systems' Costs .....	24
3.5 Summary of "Do-Nothing" (Evolved Baseline) Costs .....	29
3.6 Life-Cycle Costs .....	30
3.7 Overall Summary .....	35
<b>Section 4 - Recommendations</b> .....	36
4.1 Brief Description .....	36
4.2 Strengths and Weaknesses .....	37
4.3 Risks .....	39
4.4 Decision Criteria .....	45
4.5 Homeland Security Issues .....	48
4.6 Impact of Recommended Architecture .....	48
4.7 Interoperability .....	50
4.8 WyoLink Architecture .....	74
4.9 Implementation .....	77
<b>Section 5 - Conclusions</b> .....	83
5.1 The Best Alternative Architecture .....	83
5.2 Importance of Participation .....	83

### **APPENDIX A(2) - Required Features**

**APPENDIX J - Glossary of Terms and Abbreviations** (Phase 1 and Phase 2)

**APPENDIX K -** (Phase 1)

**APPENDIX L - Request for Information (RFI)**

**Wyoming PSMC RFI Questions/Answers and Clarifications**

**APPENDIX M - Agencies Submitting Information**

**APPENDIX N - WyoLink LifeCycle Costs All VHF**

**APPENDIX O - Site Selection**

**APPENDIX P - WyoLink VHF-57 Solution**

**APPENDIX Q - WyoLink Timeline**

**APPENDIX R - Project 25 Standards**

**APPENDIX S - System Requirements and Testing Specifications**

**Traceability Matrix**
