RE: WyoLink Pricing Agreement

Mr. Symons,

Motorola Solutions is pleased to have the opportunity to continue our support of the WyoLink Pre-Negotiated Pricing Agreement and the WyoLink Project. Our Motorola WyoLink Team has reviewed and revised the pricing for purchasing and we look forward to continuing our strong partnership with all agencies.

Motorola Solutions confirms the WyoLink discount structure to be comparable to the current WSCA discount level. This has been in existence to our past pricing and will continue with future offerings.

As a global and industry leader, Motorola Solutions appreciates the interest in our company, solutions and services. We look forward to maintaining the long-standing and ongoing partnership with the State of Wyoming and all of its agencies.

Sincerely,

MOTOROLA SOLUTIONS, INC.
