## MEMO

Date: October 14, 2004  
From: Tom Mahon, WyoLink Project Manager  
To: WyoLink Mailing List  
Subject: WyoLink Status Report

You are receiving this message because your e-mail address currently appears in a distribution list of those who have indicated interest in receiving status report information on the WyoLink Project. If you no longer wish to receive status report on the WyoLink project, you may unsubscribe by replying to this e-mail. (Please note item #2 below, which may impact your future receipt of the status reports.)

WyoLink is Wyoming's statewide public safety interoperable radio communications system.

### TOPICS IN THIS REPORT:

#### 1 - Status of WyoLink Procurement

\*\*\*\*\*

1) This morning the Wyoming Transportation Commission accepted the Technical Evaluation Team's recommendation to award the WyoLink Equipment and Development Services procurement to Motorola, conditioned on successful negotiation of contract term. The Motorola proposal was deemed to represent the "Apparent Best Value," offering the lowest project risk and a competitive cost.

\*\*\*\*\*

Thank you for your continued interest in and support of WyoLink, Wyoming's Statewide, Public Safety, Interoperable, Radio Communications System.
