Company Email: _____ Phone: _____ Fax _____

Correspondence will be sent to the E-mail address(es) provided. Information will no longer be mailed.

Application is for:

_____ CERTIFICATION: Applicants must have:

1. At least 1,200 hours serving as a Traffic Control Maintainer and 1,200 hours of directing others in the set-up of traffic control devices, or
2. At least 2,400 hours of directing others in the set-up of traffic control devices, or
3. An Associate's Degree (attach a copy of the diploma), and have at least 1200 hours serving as a Traffic Control Maintainer or directing others in the set-up of traffic control devices.

Documentation of work experience shall consist of completing the attached Work Experience Form to cover the required hours. Forms not signed by the company worked for will not be accepted.

_____ RECIPROCITY: Applicants currently holding the ATSSA certification as a Traffic Control Supervisor may be given reciprocity. The applicant must submit a copy of their current ATSSA certification along with a letter to the State Construction Engineer requesting designation as a WYDOT Traffic Control Supervisor.

I hereby certify that the facts I have provided in the application are true and complete.
