

2024 Excellence in Collaboration Award Nomination Form

Submittal Directions

Eligibility: Any project with Level 1 Collaboration that was substantially complete by December 31, 2024. This award is available to only members of the Associated General Contractors of Wyoming for projects awarded by the Wyoming Department of Transportation. Submit a separate application for each project nominated. Applications are available at: https://www.dot.state.wy.us/home/business_with_wydot/contractors/wyoming-construction-collaboration-program.html or <https://wca-agc.build/>.

The text for all sections may have a combined total of no more than 2000 words. The word count limit applies only to the text you have added and NOT the existing application form text. A **maximum of five (5)** additional supporting pages (8.5" x 11"), beyond the specifically requested items may be attached to the application. Supporting pages can include text, photographs, charts, graphs, or appropriate tables to highlight results. Entries become the property of AGC/WYDOT and will not be returned.

The application should be fully completed by the Prime Contractor and WYDOT Resident Engineer (RE). All attachments should be agreed upon prior to uploading and submitting.

Submittal of the completed application and attachments must be signed by the WYDOT RE and the Prime Contractor representative. **The completed submittal must be received by Kelli Little at kelli@agcwyo.org before 11:59 PM, on December 31, 2024.** Awarded applicants will receive a response by **January 9th, 2024**. Awards will be presented at the AGC of Wyoming Annual Convention on Thursday, January 16, 2025.

To give all contract applications the same opportunity, applications that do not follow the above rules and format, or are received after the deadline, will not be considered for awards. The WCCP Steering Committee looks carefully at the responses to each question. Direct answers to questions without rhetoric are desired.

Supporting facts and documents are very helpful. Please do not leave out requested information, as it affects the overall score. For maximum scores, please reference any related attachments in each response, and label each attachment with the question(s)/section(s) it supports.

Project Name: _____

Prime Contractor: _____

WYDOT District: _____

1. Collaboration Sessions Held & Charter (20 points)

Initial agreement that defines the team's common mission, goals, and guidelines (attach a copy of the Project Charter, if applicable).

- Describe the Collaboration sessions that were held for this project.
- How did the project team apply the concepts of their charter or goals? Provide an example.

2. Goals/Outcomes (20 points)

Tell the story of how the partnership turned goals into achieved outcomes.

- How were each of the goals and sub-goals of your Collaboration agreement developed, measured, evaluated, and used?
- How did Collaboration help to achieve project success? Provide an example.

3. Issue Resolution Ladder (20 points)

Describe the team's issue resolution process and how it helped the team (attach a copy of the project's Issue Resolution Ladder).

- What were the results/outcomes of the team having an established issue resolution process?
- Provide 1-2 examples of when the issue resolution process improved the project outcome. Describe the problem, solution, and overall impact on the job.

4. Teamwork (20 points)

Describe how the group developed to work together as a team.

- How did you develop team relationships with everyone working on the project?
- What were the trust-building moments for the team? Provide an example.
- How did the team develop relationships with stakeholders?

5. Value/Outcomes (20 points)

Describe how Collaboration helped the team deliver the project. Cite any creative practices that had a positive impact on the partnership.

- What were the savings to the project in terms of time and/or cost?
- What noteworthy steps did the team take before/during construction to contribute to overall project success?
