## **WYOMING MOTOR FUEL LICENSE APPLICATION NEW APPLICANT**

### **\*\*\* SECTION (A) LICENSE & FUEL TYPE \*\*\***

- Please check the license and fuel type(s) that accurately apply to your business operation(s)
- Please type or print legibly. If any portion of the application is not complete or if the improper fee is sent, the application may be returned to you for correction, delaying the issuance of your respective license.
- The annual fee for the license(s) will be twenty-five dollars (\$25.00) per fuel type.

\_\_\_\_\_ **SUPPLIER:** Means a person that is subject to fuel tax laws of this state, registered with the Internal Revenue Service for transactions of motor fuel in the bulk transfer/terminal distribution system, and the position holder in a terminal or refinery in or outside Wyoming. A Supplier is also a person who produces alcohol or alcohol derivative substances for blending with gasoline.

\_\_\_\_\_ **DISTRIBUTOR:** Means any person who, other than a dealer, receives fuel or blends fuel for distribution or resale in this state.

\_\_\_\_\_ **IMPORTER:** Means any person, other than a Supplier, who purchases fuel outside Wyoming for the purpose of transporting or delivering, other than in the supply tank of a motor vehicle, the fuel into Wyoming for sale, use or distribution within Wyoming.

\_\_\_\_\_ **EXPORTER:** Means any person, other than a Supplier, who purchases fuel inside Wyoming for the purpose of transporting or delivering, other than in the supply tank of a motor vehicle, the fuel to another state or jurisdiction.

- The license fee for a dealer is in addition to, and not included in, any other license type listed above.
- A separate license will be issued for EACH dealer location.
- The annual fee for EACH dealer location is twenty-five dollars (\$25.00), per fuel type, per location. (Regular, Premium, and Gasohol are all considered gasoline, Aviation Gas is also considered gasoline). (Jet Fuel is considered Diesel)

\_\_\_\_\_ **DEALER:** Means any person who sells or offers to sell gasoline or diesel fuel at a specific location in Wyoming, including any person selling or offering to sell aviation fuel or aviation gas at a Wyoming airport. *{Includes retail locations such as gas stations, key locks, card locks, and Fixed Base Operators at airports}*

### **Fuel Type:**

A.) Gasoline \_\_\_\_\_ B.) Diesel \_\_\_\_\_ C.) Ethanol \_\_\_\_\_ D.) Alternative Fuel \_\_\_\_\_

(Gasoline includes gasohol and aviation gasoline. Diesel includes kerosene and jet fuel but **does not** include biodiesel. Biodiesel is considered an alternative fuel)

If the fuel type selected is alternative fuel, please describe the type of alternative fuel(s). (Please note the fee for each alternative fuel type is \$25.00.) \_\_\_\_\_
