RE: Coordinated Public Transit Human Services Transportation Plan

Ms. Terwilliger:

The Coordinated Public Transit Human Services Transportation Plan (the Plan), dated September, 2023, was developed for the Wyoming Department of Transportation (WYDOT) through a public outreach process, which included government agencies, local transit agencies, non-profit organizations, and local public participation.

As the agency responsible for approving and adopting the Coordinated Public Transit Human Services Transportation Plan, please consider this letter as official notification that WYDOT adopts the Plan as written.

Please feel free to contact me (307-777-4009, keith.fulton@wyo.gov) with any question on the plan.

Sincerely,

Keith Fulton, P.E.
Assistant Chief Engineer, Engineering and Planning
