ALLOWABLE COMBINATIONS:

- Only capital letters, Arabic numerals, and spaces shall be used. No other symbols or characters will be allowed.
- A maximum of five (5) letters, numbers, and spaces in combination may be requested. The letters and numbers will be the same size as on regular license plates and will be arranged in a straight horizontal line.

- No combinations consisting entirely of numbers will be issued as a personalized prestige license plate unless the beginning digit is a zero (0).

This includes plates which contain a vehicle type code (Example: only the Passenger plate 2-TREX or the Truck plate 2T-REX will be allowed, whichever is ordered first)

ISSUANCE OF PLATES: Personalized prestige license plates will be sent to the County Treasurer of the county numbered on the plate. Upon payment of the regular registration fees, the County Treasurer will issue the prestige license plates in lieu of regular plates. If the motor vehicle has a current regular registration, the registration and license plates must be surrendered to the County Treasurer upon issuance of the prestige license plates. Allow 4-6 weeks for delivery of flat plates or 10-12 weeks for delivery of embossed plates to the County Treasurer

TRANSFER OF PLATES: Personalized prestige license plates may be transferred in the same manner as regular plates

Same owner transfer to different vehicle:

Personalized prestige license plates issued in a leasing company's name remain the property of the lessee upon termination of a lease agreement. The license plates and balance of the registration fees may be transferred to a replacement motor vehicle of the same type, whether owned or leased. Upon termination of ownership of a motor vehicle, the balance of the existing registration fees which have been paid for the motor vehicle may be transferred to a replacement motor vehicle that is to be leased if the lease occurs within sixty (60) days after the termination of ownership. The license plates may also be transferred to a like motor vehicle.

Transfer of plate to new owner:

Transfer of ownership may occur upon written notification by current owner of combination relinquishing interest and surrendering plates to this office or County Treasurer's office. **Current plates must be expired before new plates will be issued to new owner by County Treasurer's office**, unless the plates are being transferred with and used on the same vehicle. A new application must be submitted with the \$30.00 fee for new owner to receive combination, and new plates will be produced.

RENEWAL OF PLATES: Please note, that if you do not renew your license plate during the first year of the next plate series (2025), the combination will be made available to the public.
